Children's Book Author

About

One of the greatest blessings of being an elementary teacher for more than thirty years is the ability to recognize and better serve the social and emotional needs of children through the relationships that are built and effective communication. Indeed, relationships matter. Now, I am privileged to serve the social and emotional needs of children on a much larger scale through children's books.

Portia Y. Clare is the author of the award-winning children's book, *Best Friends Forever: A Puppy's Tale*, *His Name is My Daddy*, and *Life is More Than This Covington Pond*.
